Your Local West Michigan
Waste and Recycling Service

March Newsletter

The beginning of another year helps us take time to reflect on our core values, one of which is remaining true to Arrow's family-owned roots - by being *authentic, honest, local & simple*.

Our company wishes you the best 2024 ever - We remain SO glad you choose to be a part of the Arrow Family.

YARD WASTE SEASON 2024

- Yard waste season is April 1st through November 30th. Yard waste is picked up every week on your regular pick up day.
- If you are a current yard waste subscriber, bills for the entire yard waste season have been sent. Payment was due in full by 3/15/2024.
- Yard waste service includes the collection of grass clippings, leaves, branches, brush and plants.
- Current yard waste customers - we will collect up to 6 paper lawn and leaf bags each week in addition to your yard waste cart. There will be a charge for any additional bags beyond the first 6.
- Paper yard waste bags (no plastic) should be placed neatly behind your yard waste cart. The tops of your bags should be folded over and lifted easily by one person. Please do not overfill your yard waste bags.
- There should be at least 3 feet between your yard waste cart and other material placed at the curb. This includes yard waste bags, other carts, vehicles or mailboxes.
- Sticks and branches must be no more than 4" in diameter, cut into 3-4 foot lengths and bundled, it outside the cart. This bundle counts as 1 bag.
- *Sod, dirt, stones, trees and animal waste are NOT included in your yard waste service.*
